Dear Sir:

In an Amendment filed on February 1, 2006, in connection with the above-identified matter, the status identifier for claim 27 incorrectly indicated the claim as being in its "Original" form. In the following listing of the claims, the status indicator has been changed to correctly characterize this claim as being "Currently amended." Examiner Loftis is hereby authorized to make this change in any fashion she prefers. The Examiner is thanked for pointing this informality out and promptly addressing it without causing further delays in the prosecution.
